

## **RESA II**

### **Substitute Teacher Training**

RESA 2 has revised the substitute teacher training. The participants will register online and pay the fee directly to RESA 2.

Once the participant has registered and paid their fees, they can begin the online course. Each component requires students to pass an accountability quiz with a final exam at the end. Participants must also complete six hours of classroom observation and submit verification of those hours for initial certification.

At the completion of the course, the participant will receive a certificate. They may apply for their initial substitute license then. Completion of the course does not ensure hiring by any county.

The links for the registration are

<http://www.resa2.com/events/substitute-teacher-recertification> (Recertification). \$100.00

<http://www.resa2.com/events/new-substitute-training> (Initial Certification). \$125.00

If you have requests, please direct potential substitutes to this link or to the RESA 2 webpage [www.resa2.com/events](http://www.resa2.com/events). There will be new sessions each month. At this time, they must send a money order or cashier's check for payment. We are working on an online payment system and hope to be able to offer that in the near future.

If you have any questions, please let us know.
