Parent/Student Notification Option Form

Mason County Schools uses an automated calling system to notify guardians about many issues of note for their students, including:

- School closings, due to snow or other causes
- Emergency situations (early release, lock down, etc.)
- Absences
- School announcements

We encourage parents to opt to receive those calls, but do not require it. Please be aware that calls may use time on a cell phone plan.

If you choose to opt out of receiving automated calls, you will not receive any of these notifications. You may receive a personal call from a school or teacher regarding specific issues with a student.

Please choose **ONE** of the following options:

____ I WISH TO RECEIVE AUTOMATED PHONE CALLS FROM MASON COUNTY SCHOOLS FOR MY STUDENT, _____.

Student Name Printed

____ I DO NOT WISH TO RECEIVE AUTOMATED PHONE CALLS FROM MASON COUNTY SCHOOLS FOR MY STUDENT, _____.

Student Name Printed

I UNDERSTAND THAT I WILL NOT GET ANY CALLS REGARDING CLOSINGS, EMERGENCIES, ABSENCES, OR OTHER ANNOUNCEMENTS.
