

# **Mason County Schools Invites Input on 2018-19 School Calendar**

Planning is underway for the 2018-19 school calendar. Mason County Schools is seeking parent, student, staff and community input by engaging these stakeholders in the planning process asking them to rank their priorities on a variety of options considered in setting the school calendar.

School families and community members are also invited to attend Mason County Board of Education meetings to discuss the school calendar. Superintendent Cullen has allotted time for calendar input on meetings to be held at the Mason County Board of Education on March 13 at 6:00 PM and on March 27 at 6:00 PM.

Pursuant to provisions of the West Virginia State Code and State Board of Education Policy 3234, each county board is required to prepare a school calendar for the upcoming year and submit it to the State Superintendent of Schools for approval. Calendars must meet guidelines and requirements set forth in state code and state board policy.
