

# ON-SITE HEALTHCARE

## at Mason County Schools

**Pleasant Valley Hospital is proud to provide medical care for students and employees of Mason County Schools.**

Pleasant Valley Hospital is pleased to support the Mason County School system and their nursing staff by providing on-site healthcare to students and employees.

Medical services are available on a rotating schedule during the school day. Charlotte Reed, FNP-BC, works in collaboration with a PVH physician. Charlotte Reed can diagnose, treat illness, prescribe medications, and work with your Family physician and school nurse.
